

A festive banner with a light wood-grain background. At the top, a string of colorful triangular bunting flags in yellow, red, purple, green, blue, orange, and pink is strung across. Below the bunting, several colorful balloons are visible: a pink one with white polka dots on the left, a blue one, a large yellow one, and a red one on the right. There are also some yellow and blue streamers scattered around. The text is centered on a white background.
